

Native Plant Species List

Wildflowers (forbs)

Common name

Yarrow
 Rosy pussytoes
 Western Columbine
 Balsamroot
 Indian paintbrush
 Blue mountain prairie clover
 Purple prairie clover
 Fireweed
 Threadleaf fleabane
 Yellow desert daisy
 Cushion fleabane
 Showy (Aspen) fleabane
 Oval leaved Buckwheat
 Creamy Buckwheat
 Round Headed Buckwheat
 Thyme leaved Buckwheat
 Sulfur Buckwheat
 Oregon Sunshine
 California poppy
 Wild strawberry
 Sticky geranium
 Prairie Smoke
 Helen's sneezeweed
 Sagebrush sunflower
 Meadow alumroot
 Alumroot
 Mountain hollyhock
 Scarlet gilia
 Blue Flag Iris
 Bitterroot
 Lewis flax
 Blue flax
 Silver lupine
 Broad leaved lupine
 Spurred lupine
 Large leaved lupine

Scientific name

Achillea millefolium
Antennaria rosea
Aquilegia formosa
Balsamorhiza sagittata
Castilleja species
Dalea ornata
Dalea purpurea
Epilobium angustifolium
Erigeron filifolius
Erigeron linearis
Erigeron poliospermus
Erigeron speciosus
Eriogonum ovalifolium
Eriogonum heracleoides
Eriogonum sphaerocephalum
Eriogonum thymoides
Eriogonum umbellatum
Eriophyllum lanatum
Eschscholzia californica
Fragaria virginiana
Geranium viscosissimum
Geum triflorum
Helenium hoopesii
Helianthella uniflora
Heuchera chlorantha
Heuchera cylindrica
Illiamna rivularis
Ipomopsis aggregata
Iris missouriensis
Lewisia rediviva
Linum lewisii
Linum perenne
Lupinus argenteus
Lupinus latifolius
Lupinus laxiflorus
Lupinus polyphyllus

Native Plant Species List

Wildflowers (forbs)

Common name

Prairie lupine
Yellow monkeyflower
Pink monkeyflower
Scorched penstemon
Davidson's penstemon
Firecracker penstemon
Shrubby penstemon
Lowly penstemon
Cutleaf penstemon
Rydberg's penstemon
Rock penstemon
Rocky Mountain penstemon
Showy penstemon
Alpine penstemon
Whipple's penstemon
Mexican Hat
Prairie coneflower
Oregon Checkermallow
Blue-eyed grass
Gooseberryleaf globemallow
Scarlet globemallow
Showy townsendia

Scientific name

Lupinus lepidus
Mimulus guttatus
Mimulus lewisii
Penstemon confertus
Penstemon davidsonii
Penstemon eatonii
Penstemon fruiticosus
Penstemon humilis
Penstemon richardsonii
Penstemon rydbergii
Penstemon rupicola
Penstemon strictus
Penstemon speciosus
Penstemon venustus
Penstemon whippleanus
Ratibida columniflora
Ratibida columniflora
Sidalcea oregana
Sisyrinchium angustifolium
Sphaeralcea grossulariifolia
Sphaeralcea munroana
Townsendia florifer

** Not all plants are readily available. Please call us for availability at 541.350.5261

Native Plant Species List

Trees and Shrubs

Common name

Thin leaf alder
 White alder
 Fringed sage
 Basin big Sagebrush
 Wyoming big Sagebrush
 Serviceberry
 Mountain mahogany
 Gray (rubber) rabbitbrush
 Green (yellow) rabbitbrush
 Redosier dogwood
 Oceanspray
 Desertspray
 Purple flowered honeysuckle
 Twinberry
 Tall Oregon grape
 Creeping Oregon grape
 Mockorange
 Pacific ninebark
 Black cottonwood
 Quaking aspen
 Bitterbrush
 Smooth sumac
 Skunkbush sumac
 Golden currant
 Wax currant
 Stinky currant
 Prickly currant
 Snow currant
 Red flowering currant
 Sticky currant
 Woods rose
 willows
 Booth's willow
 Coyote willow
 Geyer willow
 Lemmon's willow
 Shining willow

Scientific name

Alnus incana
Alnus rhombifolia
Artemisia frigida
Artemisia tridentata tri
Artemisia tridentata wy
Amelanchier alnifolia
Cercocarpus ledifolius
Chrysothamnus nauseosus
Chrysothamnus viscidiflorus
Cornus sericea
Holodiscus discolor
Holodiscus dumosus
Lonicera conjugialis
Lonicera involucrata
Mahonia aquifolium
Mahonia repens
Philadelphus lewisii
Physocarpus capitatus
Populus balsamifera ssp. trichocarpa
Populus tremuloides
Purshia tridentata
Rhus glabra
Rhus trilobata
Ribes aureum
Ribes cereum
Ribes hudsonianum
Ribes lacustre
Ribes niveum
Ribes sanguineum
Ribes viscosissimum
Rosa woodsii
Salix spp.
Salix boothii
Salix exigua
Salix geyeriana
Salix lemmonii
Salix lucida

** Not all plants are readily available. Please call us for availability at 541.350.5261

Native Plant Species List

Trees and Shrubs (cont)

Common name

Mackenzie's willow
Purple sage
Blue elderberry
Red elderberry
Alpine spirea
Douglas spirea

Scientific name

Salix prolixa
Salvia dorrii
Sambucus cerulea
Sambucus racemosa
Spiraea densiflora
Spiraea douglasii

Grasses

Common name

Indian ricegrass
Thurber's needle grass
Tufted hairgrass
Prairie junegrass
Bottlebrush squirreltail
Idaho fescue
Needle and thread grass
Basin wildrye
Sandberg bluegrass
Bluebunch wheatgrass

Scientific name

Achnatherum hymenoides
Achnatherum thurberianum
Deschampsia cespitosa
Koeleria macrantha
Elymus elymoides
Festuca idahoensis
Hesperostipa comata
Leymus cinereus
Poa secunda
Pseudoroegneria spicata

** Not all plants are readily available. Please call us for availability at 541.350.5261

Native Plant Species List

Herbaceous Wetland Plants

Common name	Scientific name
sedges	<i>Carex spp.</i>
Big leaved sedge	<i>Carex amplifolia</i>
Aquatic sedge	<i>Carex aquatilis</i>
Slender-beaked sedge	<i>Carex athrostachya</i>
Lens sedge	<i>Carex lenticularis</i>
Small-winged sedge	<i>Carex microptera</i>
Nebraska sedge	<i>Carex nebrascensis</i>
Woolly sedge	<i>Carex pellita</i>
Beaked sedge	<i>Carex rostrata</i>
Saw-beaked sedge	<i>Carex stipata</i>
Northwest territory sedge	<i>Carex utriculata</i>
Common spikerush	<i>Eleocharis palustris</i>
Mountain rush	<i>Juncus balticus</i>
Common rush	<i>Juncus effuses</i>
Swordleaf rush	<i>Juncus ensifolius</i>
Small-fruited bulrush	<i>Scirpus microcarpus</i>
Hardstem bulrush	<i>Schoenoplectus acutus</i>
Common cat-tail	<i>Typha latifolia</i>
